

# ACCELERATE YOUR GROWTH AS A LEADER!

Do you want more opportunities to sharpen your leadership skills and develop the people you lead? Consider taking the next step with a graduate degree from Biola University. We've been preparing leaders to impact the world for Christ for over 108 years. Our programs provide advanced academic and professional preparation in such fields as psychology, theology, business, education and intercultural studies.

## PRACTICAL AND CHALLENGING

"Talbot's D.Min. program addresses everyday pastoral issues concerning preaching, discipleship and leadership. I discover new tools to reach a millennial audience. I am humbled by authentic and biblical discipleship, and growth through leadership challenges."

Joseph Lee  
*Assistant Professor, Singapore Bible College,  
(Current Doctor of Ministry student,  
Talbot School of Theology)*

## TRANSFORMATIONAL DEVELOPMENT

"Biola University equips in both character and competency. Leadership can be taught but leaders must be formed. Biola University produces transformational leaders that make a real impact in the world because of their unique and integrated emphasis on personal, spiritual and professional development."

Helen Mitchell  
*Speaker, Author, Consultant and Faith@Work  
Authority (M.A. in Biblical and Theological  
Studies, Talbot School of Theology, 2015)*

## PROFESSIONAL NETWORKING

"Biola's network has given me a strong support system and community of professionals to learn from and lean on. Every alumni I've reached out to has been willing to help with questions or connections."

Kevin Vandekamp  
*Audit Associate, Deloitte & Touche  
(Master of Professional Accountancy,  
Crowell School of Business, 2016)*

## INNOVATIVE LEADERSHIP

"My degree from Biola prepared me well for my cross-cultural management role. At FEBC, I lead my team in developing innovative new media programs and broadcasts to share the gospel."

Mary Kay Park  
*Managing Director, Far East Broadcasting  
Company (Ph.D. in Intercultural Studies,  
Cook School of Intercultural Studies, 2010)*

Biola University is consistently ranked among the nation's foremost Christian universities. Our seven schools each offer academic rigor and spiritual growth, research and biblical scholarship, and the integration of a Christian worldview into every program. Contact us today and let's discover how a graduate degree from Biola can strengthen your leadership potential.
