

EVERYONE WORKS.

6 LIFE-CHANGING STRATEGIES FOR EMPOWERING YOUR WORK

Want more purpose, power and peace at work? Maybe it's time to change *how* you work! Whether you're an employee or volunteer, owner or retiree, laborer or professional, a student or a parent, you may be experiencing frustration, exhaustion, or ambivalence in your day-to-day activities because of lies you believe about your work.

In *The Work Exchange*, we learn how to turn everything around, and exchange those lies about our work for God's truth. This six-session learning experience is full of practical ideas for glorifying God in the actual work we do, whatever it is. Each session uncovers a **lie** Satan wants us to believe about work, the **truth** of what Scripture says about work, and the Biblical strategy for working differently—so we can **exchange** the lie for the truth!
